### **Chris Johnson**

Director of Sustainability  
Ascend Performance Materials  
Houston, Texas, USA

Chris Johnson is the director of sustainability at Ascend Performance Materials. In his role, Chris is responsible for driving the company's efforts around environmental impact reductions and setting sustainability targets throughout the business.

Prior to becoming the sustainability director in 2019, Chris held a number of roles at Ascend and its predecessor over the past 25 years. He has extensive experience in manufacturing and capital projects, including stints as a production supervisor for acrylonitrile, as a turnaround and reliability lead, and as director of capital planning.

He graduated from Texas Tech University with a bachelor's degree in chemical engineering.
