### **Isaac Khalil**

Sr. Vice President, Polyamides  
Ascend Performance Materials  
Houston, Texas, USA

Isaac Khalil serves as senior vice president of polyamides at Ascend Performance Materials. In his role, Mr. Khalil oversees all resin, engineered plastics and fibers commercial activity.

Mr. Khalil has more than 30 years of specialty materials industry experience and extensive experience running large global business units.

Prior to joining Ascend, he managed engineered materials, including the global medical polymers and automotive businesses at Celanese. Prior to that, he led the company's POM and ultrahigh molecular weight polyethylene businesses. He has also held leadership positions at Honeywell and Minerals Technologies.

Mr. Khalil holds a bachelor's degree in chemical engineering from the University of California, Berkeley and an MBA from Trinity College in Dublin.
