Sameer Singla

**Divisional President & CEO of Archroma Paper, Packaging & Coatings,
President Americas and Europe, Middle East & Africa**

Sameer Singla is Divisional President & CEO of Archroma's Paper, Packaging & Coatings business and is President Americas and Europe, Middle East & Africa.

Mr. Singla has more than 25 years of global leadership experience, driving growth through strategic transformation and commercial excellence. He joined Archroma in 2022 after leading the commercial organization of Aristech Surfaces, the largest continuous-cast sheet manufacturer, which was sold to Trinseo in late 2021.

Prior to this, Mr. Singla served as President of Functional Forms and Polymershapes, both then divisions of SABIC, and held leadership roles in companies including Ashland, Inc.; Chemtex International, then a division of Mitsubishi Corporation; and SCL, a pharmaceuticals-ingredients manufacturer.

Mr. Singla is a chemical engineer and holds an MBA from the University of North Carolina at Chapel Hill. He will complete the Owner/President Management program of Harvard Business School in April 2023.
